AERIE WORTHY PRESIDENT

Hello there to all,

Well, another month is gone and fall is almost upon us! This should give our firefighters a well needed helping hand that they have severely needed. Friendly reminder to everyone that we are at the time of year that we need to get our houses and cars ready for the colder weather.

I need to say that August was a great month for the Sutherlin Eagles. We had a couple of big events as well as our annual picnic. With that being said, I felt we had a nice turn out. I heard a lot of mixed feelings about it being at the AERIE and not at the park or at Plat I. It seemed everyone had a good time though. There was a lot of great food and fun. I would like to thank everyone that brought food and helped make this a great event.

So again, I would like to say thank you to all the volunteers that keep our little AERIE running. We still need members to volunteer to become officers there are two trustee spots open and we are looking for a new auditor.

With all of that being said I would love to see you all at future events and let's have a great month.

Sincerely, John Bechtel, AERIE Worthy President

AERIE SECRETARY UPDATE

Brothers and Sisters,

As late summer continues at the Sutherlin Aerie #3508, I want to thank everyone who keeps our fraternal motto, "People Helping People," alive and thriving.

Please extend a warm Eagle welcome to our newest initiated members and a sincere thank-you to all our volunteers who keep our hall running strong.

Thanks to your generosity, our Excelling With Blindness Scholarship fund has officially reached its \$1,500 goal! Thank you to everyone who contributed. You can continue supporting this and all of our ongoing charitable work through our BottleDrop program—blue bags remain available at the hall.

We recently faced an unexpected hurdle when our primary kitchen refrigerator went down. Fortunately, our backup unit saved our inventory and kept operations running seamlessly. This situation highlighted the importance of facility redundancy, and we will be looking into securing additional backup equipment for the future.

Additionally, we have updated our bar area entertainment options with Hulu and Amazon Prime, giving members more viewing choices while visiting the social room.

Please keep members recovering from illness, surgery, or personal loss in your thoughts and prayers. Supporting one another defines our fraternal bond.

Regular Aerie business meetings are held on the 1st and 3rd Mondays of each month at 6:00 PM. Your voice and vote help guide our Aerie forward.

Fraternally yours, Patrick McFarland, Worthy Secretary, Sutherlin Aerie #3508

AERIE TRUSTEES CORNER

Dear Fellow Eagles,

We hope you are enjoying the summer, but looking forward to the fall and the end of fire season!

Thank you to all who helped and had fun at our "picnic". Bring your ideas for next year!

Our newsletter fund is steadily growing, as is the Feed The Eagle fund. Thank you all so much for your continued support. The grab bags and raffles are so fun!

You've probably noticed our Saturday bands are back more frequently now. We have some good ones coming up. It is good to see everyone enjoying the dances.

Keep checking on your friends and neighbors and invite them in for a good time with all our fun activities, good food and great drinks with our friendly bartenders!

A big thank you to all our volunteers! Speaking of volunteers, we could use more for the kitchen since we only have each day scheduled, but no extras for any emergencies! We love our volunteers and couldn't do without them!

Fraternally yours, Marty Tucker

AUXILIARY MADAM PRESIDENT

Brothers and Sisters

It's sad to think that summer is almost over. Kids are back in school soon and the holiday season is right around the corner! Let's not get in a hurry though, we still have a lot of beautiful weather left. Let's get out there and enjoy it. Just a simple short walk outside is good for the soul.

We have been having so much fun at our Aerie. Our line dancers are AMAZING. Stop by on a Tuesday or Friday night and join in or just watch. I can't keep up with them but they are sure fun to watch and it's really hard to sit still. They are so fun. Beginning class starts at 5pm and advanced is at 6pm on Tuesdays and 6pm for advanced on Fridays.

Bunco is growing by leaps and bounds. Susie is our host and she always has a smile and encouragement to everyone. Be careful, this game is addicting and once you try it, you'll be hooked. But no worries, you'll have lots of friends with the same problem. Come on down on Wednesday nights at 6pm. You'll love it.

And of course, our Saturday night bands are rocking the house. We have a great line up for this month and in October. There will be music for everyone. What a great way to spend your Saturday night. We have the best dance floor around. Perfect for two-stepping or just swaying with the music. See you on Saturday. Be sure to check our calendar to see which bands are playing. Don't forget to get your Halloween costumes ready for the Halloween party! We're going to have A LOT of fun!

I want to thank all of our bakers that bake the yummy treats for our monthly bake sale. We always have a full table of goodies and you are so appreciated. The money earned from this sale goes into our charity fund. That goes a long way to keep us 'people helping people'! Thank you so much.

Remember, come and see us. You'll be glad you did.

See you at the Aerie, Ernie Davis, Auxiliary Madam President
