Technology enables: it helps us all to see. Technology saves: saves us from a lot of work. Technology belongs: it belongs in any society that harnesses it well. Technology is actually an extension of Education, where we look for solutions based on our collective knowledge. Not harnessing technology is our own failing, but sometimes it takes just the right angle to activate the direction we need to take.

We have that opportunity now. Our minutes for the Aerie are now digitized and we can pull a complete question and answer routine on any subject from any time. Therefore, this technology will resolve disputes over who did what, when and why. For, as we know, it is easy to forget the details of events over time. Just like a geometric proof, you can see from beginning to end the thought process involved in everything we do or have decided to do. It also keeps track of action items that need to be addressed, calendar events, lists of things to do... and we will continue to add to this system as new perspectives arise.

How is this all possible? We use the Google AI Platform, using NotebookLM and Gemini to first store facts and then to question those facts to get a better perspective of what is possible. Compliance is also a part of this. We have the entire Aerie Constitution programmed into the Aerie 3508 Technology Platform.

This Aerie has officially entered the 21st Century with the election of its first President who will rely on adaptive technologies that most folks have never even heard of. Remember, though, this is why Education is the "collective" effort: not everyone knows, but the knowledge still exists. We will bring you up-to-date one step at a time, and this is the first step: Aerie members who want to witness this in action are invited to our Monday night meetings. The only way to truly witness it is to be there. We meet every other Monday at 1800, twice a month.

Thanks to the many who came to the all member meeting. Some of you had to get close in on the work schedule to attend, and it is appreciated. Jobs and Education are the two issues that form any society, and the irony is that the hallmarks of any society are those that have survived the test of time.

Fraternally yours, Patrick McFarland, Worthy Secretary

AERIE TRUSTEES CORNER

Dear Fellow Eagles,

As we head into the new fiscal year let's make it the best one yet! We will need lots of volunteers for our on going functions. Please consider volunteering at least one day a year. Yes, I said year! We have more members than there are days in a year. We need help at the door on Saturday nights, cleaners on Mondays, yard work, kitchen help, hall maintenance, just to name some areas. Everyone (I think) enjoys our Saturday night bands, our bunco nights, and other happenings, including just socializing. Bring your friends and get them enrolled in our "people helping people " club!

JUNE 1ST begins new fiscal year. If you have not paid your dues you are not member in good standing. Please see your secretary to bring your dues current. If you have and not received your new card ask the bartender as it is behind the bar.

Respectfully and fraternally yours, Marty Tucker

AERIE WORTHY PRESIDENT

Hello to all,

I would like to start out by saying, I am really looking forward to this upcoming year. We all need to give last year's officers a big hand for the great job they did for The Eagles 3508.

I hope this year finds that the Aries can keep up with tradition of community giving.

I realize that there are still many obstacles, that we have to overcome. With us all working as a team. I believe that with support, these eagles can be the best in the state.

I hope this finds everyone healthy.

I hope to find our meeting chairs full! Talk to your brothers and sisters and encourage them to be involved.

AERIE President, John Bechtel

AUXILIARY MADAM PRESIDENT

Happy June Brothers and Sisters

Our new officers have been installed and are ready to start learning their new duties. Please be patient and lend a helping hand when you can. We have a great team for this year and some exciting things are coming up. Be sure and watch your newsletter for more information.

I will be going to the State convention in Medford at the end of this month. Please get your volunteer hours in to me by the middle of the month so they can be counted this year. We are doing very well, and I know we all do things for others that we don't even think about. These reports are very important as they keep us in our non-profit status so we don't have to pay property taxes. That's pretty cool .

We will be having our Father's day BBQ on Saturday, June 20th. We will also be having our Secret Pal reveal that day. Be sure to bring a gift for your secret pal and a card to let them know who you are. We will also be drawing for new secret pals for this next year. It's going to be a fun day. Come help us celebrate dad and enjoy some good BBQ with great friends.

We will be having a Corn Hole tournament on June 28th. We love having this group of people come in. They are so much fun. If you are interested in getting in on the fun, come on down and sign up for a team.

I know I say this all the time, but I want to give a shout out to our amazing Auxiliary. I firmly believe we have the strongest Auxiliary in the state. We are definitely a force to be reckoned with. These ladies are always willing to jump in and help wherever there is a need. We have a sisterly bond and we stick together. I'm so proud to belong to this fearless family. Our auxiliary is growing. We are signing new ladies up and these wonderful new members are jumping right in and taking offices and volunteering to help. Wow, we are so blessed.

In closing, Please watch your calendar for all the upcoming events in June . You sure don't want to miss out on any of these fun things.

See you at the Aerie,

Ernie Davis, Madam President

AUXILIARY SECRETARY UPDATE

Hello JUNE and Welcome sunny days ☀️

Renewals are coming to a close, and most Auxiliary members have already taken care of theirs. Just a reminder, If you don't renew by end of June you will be dropped off the membership roster and it will cost more to sign back up. If your having a financial issue please call me, 541-670-9345.

There are lots of fun activities happening during the week, Like line dancing, karaoke and Bunco, so stop in and join the fun. The kitchen is open with delicious food and prices are very reasonable. Remember the kitchen is run completely by Volunteers ~ Be Kind and Polite.

The Auxiliary dinner on Friday nights, whether it's a special dinner or off the menu **ALL** goes to our Charities that we help during the year, come support and enjoy dinners!!

New Officers take office June 1st. Thank you to all out going officers for your hard work and thank you to all those who have stepped up to be new officers as well as those who are doing another term to keep our Aerie open and running. It takes a lot of people to keep us running, please step up and help, even one hour is awesome and a lot of Fun.

Remember to be kind and check in with family and friends often.

Auxiliary Secretary, Diana Hart 541-670-9345
