AERIE WORTHY PRESIDENT

Hello there to all,

Well, I talked about the weather getting colder which with it brings cold and flu season. So, with that being said, if you are sick or feeling bad, please stay home. We will miss you for a few days but, every one doesn't need your cold.

I'm writing this before the big Halloween party, but I'm sure it will be a blast. Everyone always seems to dress up in some pretty cool costumes and the Rick Miller band is always a great time.

I have started cooking Friday night dinners with my helper Heather. The cost will be &12 a plate. Reservations would be helpful so we have an idea how much to prepare, but not required.

We will be having a FRIENDSGIVING potluck on Sunday November 22nd. The Sign-up sheet is at the front door. I also think it would be nice to start a food drive to help during the holidays.

We haven't found a candidate yet to receive our Excelling with blindness scholarship, but with the help of Lisa Martin and the Lion's I have faith that we will find someone soon and be able to present the winner in November.

I would like to remind everyone that our bartenders and our cooks are ALL volunteers. So, let's show them our appreciation by tipping them and being courteous.

So, until next month take care and may are family's stay healthy and happy.

Sincerely, John Bechtel, AERIE Worthy President

AERIE SECRETARY UPDATE

Brothers and Sisters,
As we step into November, our Aerie continues to stay active with community events, facility upgrades, and strong member participation.

First and foremost, a massive thank you to everyone who supported our Excelling With Blindness Scholarship—we successfully reached our $1,500 funding goal! Please continue saving your BottleDrop blue bags so we can keep supporting these important community programs.

We also have a full slate of upcoming events and club activities:

- **Craft Fair:** Join us on Saturday, November 7th, from 9:00 AM to 3:00 PM for our Craft Fair.
- **Buddy Passes:** Our new business-card-sized Buddy Passes are available from bartenders and at the door on Saturdays, making it easy to bring friends and neighbors in for our events and dance nights.
- **Life Balance Classes:** Our twice-weekly low-stress chair stretching and isometric classes have seen a fantastic turnout and will continue.
- **Holiday Dinners & Gatherings:** Looking ahead, we are coordinating our joint President's Friday Dinner for December 11th (5:00 PM to 7:00 PM) featuring Apple Dijon chicken with rice pilaf, with proceeds supporting local charities.

On the operational side, we have transitioned our bar entertainment to Hulu and Amazon Prime streaming on our club monitors. Following the return of kitchen operations from the Auxiliary back to the Aerie, we are successfully managing special ad-hoc events like Halloween while ensuring clear guidelines and equipment care. Additionally, remember that starting this quarter, we are transitioning our regular newsletter mailings to a quarterly schedule, with monthly editions continuing via email.
Thank you for your continued dedication and support that keeps Aerie #3508 strong and vibrant.
Fraternally,
Patrick McFarland, Worthy Secretary, Aerie #3508

AERIE TRUSTEES CORNER

Dear Fellow Eagles,

The holidays are upon us. Halloween was a great success and the rest of the calendar year will be flying by! Our Eagles home will be bustling with Friendsgiving and Christmas potlucks. We will also be celebrating NYE with the Rick Miller Band.

From now until the end of the year and beyond we still need kitchen volunteers for cashiering and serving on Friday nights. We also need two more trustees. Our FAITHFUL group of 17 volunteers show up every week. This is a pitiful number for our over 400 members! We need some help so please come and help support our Aerie home. Contact any trustee to see how you can help. Or you can leave your name and number with a bartender and they will give it to a trustee.

Fraternally yours, Marty Tucker

AUXILIARY MADAM PRESIDENT

Happy November, Brothers and Sisters,

It's so hard to believe we are already getting ready for the holiday season. That was sure a fast year! But yet, here we are. Let's enjoy this time of being thankful for our wonderful members and family and friends. And especially those of you who fit all three.

We have so many things going on this month so be sure to check your calendar to make sure you don't miss anything. We have a holiday craft and bazaar fair coming up on November 7. If you want to have a table, be sure and contact Anna Atavitas at 509-470-5557. She will help you and answer all your questions. This will be inside our Aerie so we will be nice and warm and dry. So come on out and check all the cool things we have.

Once again I'm going to bug you about your volunteer reports. It is very important to get those filled out and into me. It seems that people are slowing down on doing these. I usually have 3 or 4 packets sent off to the state by now, but I have only mailed 2 so far this year. I know we can do better. We were second in state last year and it would be really nice to take over that first place spot. If you need blank forms, let me know or you can use the one that is in this newsletter, If you need help, let me know.

I hope you are enjoying our Saturday night bands. If you see a new band on the schedule, please come check them out before you form an opinion. We had some great bands this last month and it's really sad when there's very few people there to enjoy them. You can't have an opinion if you are uninformed. One of the bands we had this month is used to playing to packed crowds and they were really surprised when only 30 or so people showed up to the Eagles. We were very fortunate to get them, so please check out the new to you bands.

Remember.....watch the calendar. I don't want you to miss out on anything!

Until next time,
See you at the Aerie, Ernie Davis, Auxiliary Madam President

AUXILIARY SECRETARY UPDATE

Hello Sisters and Brothers,

It's hard to believe we're in November already, another year that has flown by.

I hope everyone will spend sometime at our Aerie. There are so many fun events that will be happening over the next couple months, check your calendars!

Volunteers are always needed. A Great New Years Resolution would be to volunteer at least an hour or two a week.

A New Group has started -- Life Balance Class. We meet at 11am on Wednesdays and Fridays. It's free to our Eagle members. We work on our balance and strength, with a mixture of sitting in a chair, standing, and using lite weights. It's a 40 minute class so please join us. It is a lot of fun.

Hope everyone has a Happy, Safe and Blessed Thanksgiving.
See you soon at our Aerie.
Diana Hart- Auxiliary Secretary

And please stay home if you're not feeling well so you get better faster and we don't spread germs around to the whole membership. These days there's no such thing as "It's JUST a cold".
